

## Electrical Service Supervisor

Are you keen to seek a new career environment and further your electrical career working with a dynamic team for all types of electrical work?

Aotea Electric Nelson is currently looking for an electrical supervisor to join our servicing division in the Nelson area to work alongside our management team and electricians that provide electrical services to our many and varied customers.

The Aotea Electric Group of Companies is a highly successful, well established electrical services group that offers a great future with a team culture.

The position will involve assisting and overseeing the day to day operation of the servicing division, allocate workload to the servicing staff, pricing/estimating and liaise closely with our high profile and loyal clients.

### The successful applicant will offer:

- NZ Registration and Current Practicing License
- Competent with Microsoft Excel and Word
- Customer focused with the ability to maintain and develop strong client relationships
- Strong communication skills with a good understanding of the Electrical Industry
- Team Player
- Ability to self-manage, self-motivate and be self-sufficient
- NZ residency or a valid NZ work visa

### What we offer our committed employees:

- The opportunity to work with our respected and reliable team
- Competitive remuneration package, including phone, tablet and company vehicle
- A robust health and safety system
- Growth and development opportunities for any successful applicant that wishes to apply themselves

If you are a hardworking, conscientious electrician, with experience and are looking for the next step in your career or already a supervisor that would like to join a progressive and friendly team that can offer job variety with a future then we want to hear from you.
