

Electrical Service Supervisor

Aotea Electric Rotorua is currently looking for an experienced electrical supervisor to join our team to lead, manage and grow the electrical servicing division of our company.

The Aotea Group of companies is a highly successful, well established electrical services group that offers a great future with a team culture.

The position will involve assisting and overseeing the day to day operation of the servicing work, allocating workload to the staff, pricing/estimating and on the tools to assist the staff. There are small project jobs to run from time to time.

The successful applicant will offer:

- NZ Registration and Current Practising Licence
- Experience in a similar role in the electrical industry
- Customer focused with the ability to maintain and grow strong customer relationships
- Ability to self-manage, self-motivate and be self-sufficient
- Be a team player
- Good understanding of the current NZ Standards
- Have a dedication to quality workmanship
- Leadership and excellent communication skills

What we offer our committed employees:

- Competitive remuneration package, including phone and modern company vehicle.
- Growth and development opportunities for any successful applicant that wishes to apply themselves.
- Job Security – varied and interesting role. No day is the same

If you are an experienced supervisor and would like to join a progressive friendly team that can offer job variety with a future, then we want to hear from you.
