

## **Lift Technician/ Electrician**

Aotea Electric Rotorua is currently looking for a lift technician to join our team.

You will need to be a qualified electrician with experience with lifts.

The position will involve carrying out calls to faults and diagnosing corrective action. Fault finding and repairs. Electrical wiring to upgrades and new lifts.

Shaft and machine room wiring. Assisting lift company technicians.

To be on the call out roster covering the greater Bay of Plenty and Waikato.

### **The successful applicant will offer:**

- NZ Registration and Current Practising Licence
- Experience in a similar role in the elevator industry
- Ability to self-manage, self-motivate and be self-sufficient
- Be a team player
- Confident at working at heights
- Mechanical minded.
- Have a dedication to quality workmanship
- High regard for Health and Safety
- 

### **What we offer our committed employees:**

- Competitive remuneration package, including phone, uniform and modern company vehicle.
- Growth and development opportunities for any successful applicant that wishes to apply themselves.
- Job Security – varied and interesting role. No day is the same

If you are an electrician with experience in lifts or have an interest in doing lift work, then we want to hear from you.

We will look at contributing to relocation costs for the right individual.
