

Electrical Foreman/Leading Hand Commercial Construction.

Long term or fixed term contract available

The **Aotea Electric Group** of companies is a highly successful, well established electrical services company. We are seeking to employ an Electrical Foreman/Leading Hand to join our contracting department, based in Queenstown.

This position involves a wide variety of work for our high profile and loyal clients in and around the Queenstown area. The projects will be predominantly commercial.

We are a professional team that focus on customer relations, quality and performance.

As well as a hands-on role, the position involves on-site coordination, supervision of other staff and to maintain the health and safety of on-site staff.

The successful applicant will have a broad knowledge of the industry, be able to work unsupervised and have the ability to supervise others in addition to the following:

The successful applicant will offer:

- NZ Registration.
- NZ Practising Licence
- Experience in commercial projects
- A good understanding of the construction environment
- Proven experience of supervision
- Have a dedication to quality workmanship at all times.
- Strong communication skills.
- Must be able to develop and maintain strong client relationships.
- Hold appropriate work visa if they are not a NZ citizen or resident

What we offer our committed employees:

- The opportunity to work with our respected and reliable team.
- Competitive remuneration package, including phone and company vehicle.
- A robust health and safety system.
- Growth and development opportunities for any successful applicant that wishes to apply themselves.
