

## Hospitality Equipment Electrician. Full Time

The **Aotea Electric Group** of Companies is a highly successful, well established electrical services company. We are seeking to employ a Hospitality Equipment Electrician to join our servicing department, based in Queenstown.

### The Position

A full time position has arisen for a service technician to join our team in Queenstown. We are looking for someone that has experience in repairing a wide range of commercial kitchen equipment, such as glass/dishwashers, combi ovens and general electrical appliances.

This role involves a wide variety of work for our high profile and loyal clients in the Queenstown area including cafes, restaurants, hotels, clubs, nursing homes, retirement villages, and hospitals.

Your primary role will be to attend breakdown repairs, preventative maintenance and installations on a wide range of food service equipment.

The successful applicant will have excellent problem solving and fault finding skills and be highly organised in order to manage multiple tasks simultaneously. The role involves a high degree of customer service therefore we require excellent communication and listening skills, as well as a professional appearance.

You will need the skills and mind set to work autonomously, as well as enjoying working as part of a dedicated team. You will be able to be adaptable, hardworking, keen to learn and display initiative.

### What we offer our committed employees:

- The opportunity to work with our respected and reliable diverse team.
- Competitive remuneration package, including phone and company vehicle.
- A robust health and safety system

### The successful applicant will require:

- Full NZ Registration certificate
- Current NZ Practising licence
- Full current drivers licence
- Excellent diagnostic & fault finding skills
- Sound mechanical aptitude
- Reliable and well presented
- Works well unsupervised
- To commit to a call out roster
- Have a dedication to quality workmanship
- Strong communication skills
- Ability to self-manage, self-motivate and be self-sufficient
- Hold appropriate work visa if they are not a NZ citizen or resident

Applications will be accepted from Australian Registered electricians and assistance will be provided for the changeover to NZ Registration.
